Asst. Chief, Mediterranean Bureau

7 Feb 1949

Chief, FBIB

Use of Weekly Targets

1. The plan outlined in your memorandum of 22 January 1949 appears well devised for the purpose of enforcing attention to targets and of checking individual editorial performance. It is approved for experimental use to the extent you find practicable.

2. It is desired that target reference numbers not be cabled, but that a report on the effectiveness of the procedure be submitted at the end of a sufficient test period.
